Volunteer hours and miles Are Vital to OSSA

What is a snowmobile club volunteer?

By Lisa Mahoney, OSSA Executive Director

A snowmobile club volunteer is a special person who dedicates their time, energy, and sometimes money to benefit not only their snowmobile club but others. This person is involved, helpful, charitable, selfless and always humble. Much of the time, the public has no idea what our volunteers do. So, let us share just a few things that they do.

They voluntarily maintain over 31,500 miles of multi-use trail each year. These trails benefit not only snowmobilers but cross-country skiers, snow bikers, snow-shoers, and dog sledders. In the spring and fall, volunteers are busy cleaning trails and putting up trail markers to get ready for the next season. They cut wood and fill the shelters for all to use. They build bridges, shelters, re-roof existing grooming sheds, and do their own maintenance on their sno-cats. They voluntarily teach snowmobile safety classes and avalanche safety classes. They donate to charitable organizations such as Candlelighters, Wounded Warriors, Hospice, and Meals on Wheels just to name a few.

Our volunteers are the backbone of our organization. We could go on and on about all that they do. *So, we want to humbly thank each and every one of you for your hard work and dedication to our wonderful organization.*

Volunteer hours/miles = \$\$\$. More \$\$\$ = **the more we can provide for snowmobiling!**

Use this form to track your volunteer hours and miles. Please turn in the form monthly.

You can mail to OSSA, PO Box 6255, Bend, OR 97708; email to lmahoney@oregonsnow.org; or fax to (458) 202-1193.

Thank you so much for all that you do for snowmobiling!

Sincerely, Lisa Mahoney OSSA Executive Director

Our Guests at OSSA Convention

Tia Fuchs (KAOS Vice President) and Rachyl Burzinski, our KAOS President, accompanied by the AWSC - Association of Wisconsin Snowmobile Clubs current Vice President, Lori Heideman.

KAOS (Kids and Adults On Sleds) is a Wisconsin state based youth snowmobiling program. The program enhances public speaking skills for youth members involved. It also helps build great teamwork and leadership abilities all while allowing these young snowmobilers to work closely with the Association of Wisconsin Snowmobile Clubs (AWSC) executive board.

There are currently 37 youth active within KAOS from 26 different counties. Many of them attend state wide events and some even get the opportunity to travel out of state to the International Snowmobile Congress (ISC) and other public speaking opportunities. For many kids involved within KAOS it becomes a life changing experience and opens so many doors for future opportunities.

To learn more or to just see what we are up to, follow us on Facebook at Kids and Adults On Snowmobiles-KAOS or on Instagram @awsc.kaos. If you have any questions please don't hesitate to email us at awsckaos@gmail.com

Our experience at the Oregon State Snowmobile Association annual convention was a blast!

We started our morning at Catherine Summit Snow Park and headed up the mountain for breathtaking views. It may have taken us all day but we figured out how to ride in the deep powder. Then we stopped to eat lunch at the Taylor Green warming shelter which is located at 5880 feet in elevation. After a long day of riding, we got the opportunity to get in a groomer and learn how to drive! Later in the evening, we enjoyed dinner and talked with everyone about our experiences.

Another incredible day at the Oregon State Snowmobile Association convention. On our second day, we rode to Ladd Canyon where we had a little bit more trail riding but learned how to go boondocking. We finished our night with pizza for dinner and just enjoyed the company of many.

Our final day at the Oregon State Snowmobile Association annual convention was awesome! We got to sit in on the general membership meeting followed by their board meeting. We learned a lot about how they operate as a state. The evening was filled with lots of laughs and reflecting on the week as a whole.

We presented a slide show and talked about the KAOS program while giving some ideas on how to get a OSSA youth program started. We couldn't say enough thank you's to everyone for the hospitality. We have really enjoyed our time with OSSA and hope to see the OSSA members at ISC 2023.

OSSA CONVENTION

OSSA hosted SNOWMOBILE AVALANCHE RESCUE COURSES - January 27, 2023

SNOWMOBILE AVALANCHE RESCUE COURSE .

This course is recommended for anyone completing a Snowmobile Rec Level 1 course and it is a mandatory prerequisite for both the Rec Level 2 Avalanche Course and the Professional Level 1 Avalanche Course. Included was an internationally vetted curriculum and state of the art knowledge from Mountain Safety info. The course met the guide lines set forth by the American Avalanche Association.

Avalanche Rescue was a one-day stand-alone course covering the basics of companion rescue as well as the current best practices in rescue techniques and gear. Students received professional coaching on their rescue skills and timed practice with realistic scenarios. This course is intended for those new to the back country, and it should also be retaken on a regular basis to keep skills sharp and to stay up to date with advancing rescue techniques and technology.

SNOWMOBILE RECREATIONAL LEVEL 1 AVALANCHE COURSE

“Recreational Level 1: Avalanche Fundamentals for Snowmobilers” avalanche course taught the key elements of making sound decisions while traveling in avalanche terrain. This intensive, hands-on training covered trip planning and preparation, interpretation of the daily avalanche bulletin, observational techniques for snowpack, weather, and avalanches, terrain analysis, safe travel techniques, risk and hazard mitigation and decision-making fundamentals.

Students also learned the basic elements of companion rescue and examined common pitfalls and challenges encountered by humans in terrain of consequence.

This course is a nationally recognized Recreational Avalanche Level 1 Course by the American Avalanche Association. The course consisted of an online learning module and two instructional field days. It is geared toward skiers, boarders, and other outdoor enthusiasts who want to build winter back-country skills.

In Addition to 11 people successfully completing the Friday 8 hour Avalanche Rescue course. Saturday and Sunday 8 OSSA members and 4 USFS personnel completed a 2 day Motorized Avalanche rescue level 1. The classes were taught by Mike Duffy of Avalanche I and Stephanie Cummings of BCA.

OSSA received great feedback from all the participants and look forward to hosting another class next year.

<https://members.oregonsnow.org/grooming>

The Oregon State Snowmobile Association provides snowmobile trail grooming in the state of Oregon with a 100% volunteer effort. Our volunteers are out on the snow almost every day grooming the trails to provide a safe and enjoyable experience for snowmobilers, snow shoeing, cross country skiing and other recreationalists.

A typical volunteer grooming day begins with arriving at the grooming shelter before sunrise to get the equipment ready for the day. Not only do our volunteers groom the trails but we also remove fallen trees and obstacles from trails. In addition we provide search and rescue assistance in emergencies. It's not uncommon for our volunteers to put in a 10 or 12 hour day grooming. It takes many many hours of training to become a primary groomer. Our groomers are trained in first aid, CPR, and equipment safety and maintenance.

Be sure to show your appreciation by joining OSSA and your local snowmobile club today!

Oregon State Snowmobile Association

OSSA Membership

We encourage everyone to join their local snowmobile club which automatically includes an Oregon State Snowmobile Association membership.

You can be a member of OSSA without joining a local club. However, please consider joining the clubs where you ride in Oregon. These clubs groom and maintain the trails that you enjoy riding on.

If you live in another state or for some other reason don't want to join a local snowmobile club you are welcome to become an **OSSA only Member**.

Who Can Join?

Anyone who enjoys the outdoors can be a member including cross country skiers, snow shoers, dog sledgers, snow bikers and of course snowmobilers.

Why should I join?

Our mission is to protect and enhance the sport of snowmobiling. We work closely with the Forest Service and BLM to keep areas open, resolve conflicts, and to provide the quality snowmobiling that Oregon is famous for. We work with local, state, and federal legislators to protect the rights of all snowmobilers. We fight any damaging legislation, and we support legislation that helps our sport. We coordinate with industry, national and international snowmobile groups to share knowledge, provide mutual support, and protect the sport we all love so dearly.

If you would like to become a new member of a club or OSSA and enter for a chance to win a brand new snowmobile, (copy and paste in your browser) www.oregonsnow.org/membership/
